Alexandria, VA 22313-1450

REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents:

A certificate of correction is respectfully requested in the above-identified patent.

The following errors were made:

In the claims, issued claim 2, column 13, line 61, the section "4096carriers" is incorrect. As set forth in the Amendment filed with the U.S. Patent and Trademark Office on October 1, 2008, the correct section should read as --4096 carriers--

Issued claim 3, column 13, line 67, the section "of the signal to noise ratio per carmer." is incorrect. As set forth in the Amendment filed with the U.S. Patent and Trademark Office on October 1, 2008, the correct section should read as --of the signal to noise ratio per carrier.--

Attached is the certificate of correction, which indicates the corrections to be made, by reference to the column and line numbers in the printed patent. Because the errors were made by the Patent Office, no fee is necessary. However if they are determined to be our errors, the Director is hereby authorized to charge payment of any fees associated with this communication to Deposit Account No. 19-1090.

Respectfully submitted,
SEED Intellectual Property Law Group PLLC

/Robert Iannucci/
